RGB Made Easy

decor smart Home

Exterior Lighting

Live in FULL color!

Control beautiful RGB lighting by the button, clock and calendar. Create inviting outdoor kitchens and calming relaxion areas offering different looks for different areas.

ALL controlled by one app!

Imagine lighting that transforms living spaces as the evening goes on. Schedule specific lighting for parties, birthdays or your favorite sports teams. Be the envy of your neighbors and friends.

The possibilities are endless!

Perimeter Lighting

Using the PermaLites 365 (Pebble Lights) technology or C9 bulbs to outline the roof you can light up any holiday.

Pebble Lights (Permanent)   **C-9** (Seasonal)

Bistro Lighting

Festive lighting for any occasion that can be hung on gazebos, patios, pergolas, or just about anywhere.
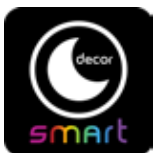

Pool Lighting

Bring tranquility and depth to pool and spa environments.

Available in the App Store

Landscape Lighting

MR16 lamps have multiple uses including illuminating exterior walls, accenting the pool, highlighting trees and much more! They can be installed in our SPOT-WB or other fixtures.
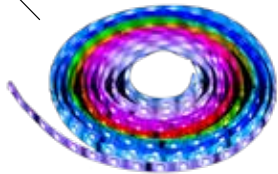

Interior Lighting

Flood Lighting

BR30
Indoor BR30. Great for ceiling lights. Outdoor BR30 is also available.

Remote Switch

Control lights from the wall or pull the remote out to keep it next to you.

Strip Lighting

Strip lights can be mounted under cabinets, shelves, countertops, or other applications.
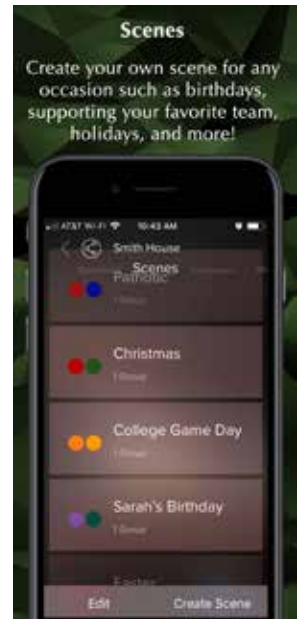

Lamp Lighting

A19 Globe Light
Great for table lamps, floor lamps, and more!

The **decor smart** Control System

Easy and powerful control of all **decor smart** lighting products. Control lights individually or in customized groups and schedule colors and effects by day or with our patented calendar scheduler. Preschedule holidays, birthdays, and special events.
